Senior Surgeon with the Government of H. H. the Maharaja of Mysore.

To

The Secretary to Government,
Local Self Government Department,
Bangalore.

Sir,

In forwarding herewith a copy of letter No. 4142 dated 15-5-1939 received from the Medical Officer, Victoria Hospital, Bangalore, I have the honour to state that the need for a ward for women patients (paying) similar to Pavilion III of the Hospital is felt. The Medical Officer proposes to convert the Lakshmi Vilas, B Ward which can conveniently accommodate 8 beds as a paying ward charging one rupee per day per patient. This would bring an additional revenue of Rs. 1,200/- per annum against which only an initial expenditure of about Rs.100/- would have to be incurred to provide 8 sets of mosquito fittings and nets. I request that sanction of Government may kindly be obtained to the conversion of Lakshmi Vilas B Ward into a paying Ward on the lines suggested by the Medical Officer, the additional expenditure involved in the proposal viz., Rs.100/- being met from the sanctioned grants of the Hospital.

I request the favour of early orders.

I have the honour to be,

Sir,

Your most obedient servant,

B K Narayana Rao

Senior Surgeon.

SV.

Copy of the letter No. 4142 dated 13th May 1939, from the Medical Officer, Victoria Hospital, Bangalore, to the Senior Surgeon in Mysore, Bangalore.

I have the honour to state that after the extension of Chamaraj and Krishnajara Wards in the Upstairs of this Hospital, the special ward accommodation for women patients, who wished for a little more privacy and comfort, was deprived of, by the utilisation of space available in the Vani Vilas and Lakshmivilas specials. I now wish to propose converting the Lakshmivilas B Ward, which can conveniently accommodate 8 beds, as a paying ward charging one rupee per day per patient - similar to Pavilion III of this Hospital. This would bring in a revenue of Rs. 1,000/- per annum, but the only initial expenditure that has to be incurred on this score is to provide eight sets of mosquito fittings and nets at an approximate cost

I solicit orders.
